Mangalore, dt. 8- 4- 1956.

From
Sri. P.V.Narasimha Rao,
Project Executive Officer,
South Kanara, MANGALORE.

To
The Addl. Development Commissioner
Fort St. George, MADRAS.

Sir,

COMMUNITY PROJECT--South Kanara--Agriculture crafts and industries--development of Bee-keeping industry--appointment of a bee keeping fieldman for Karkal Area--regarding.

REF: G.O.Ms.No.1910 Agrl. Dept. dt. 3-6-1954.

G.O.Ms.No.2250 Pub.(R.D.I.) Dept. dt. 19-11-1954.

The services of two bee-keeping fieldmen employed in this Community Project as per G.Os. cited were dispensed with from the date of expiry of the sanction period on the assumption that the work of distributing bee hives and maintaining them properly could be undertaken by the Senior Inspectors of Coop. Societies and Village Guides concerned. But now it is felt that the work is not only too heavy in Karkal area to be shouldered by the Senior Inspectors of Coop. Societies or Village Guides concerned, but will also not be as efficient as that of a fieldman with experience in the line.

It is found that many of the empty bee hives supplied have to be equipped with colonies and this can be done only by fieldman who will also train people, in maintaining the bee hives and extracting honey etc. So far 455 bee hives with and without live colonies, 8 extractors and 3 smokers have been supplied in this area under the scheme sanctioned in the G.Os. cited. Out of this total supply, Karkal area has got the maximum number.

Therefore, the appointment of a bee keeping fieldman for that area is felt absolutely necessary in the interest of efficient working of the scheme. Out of the allotment of Rs.3676/- for bee keeping development sanctioned

25/8

The expenditure on this account for 6 mohths works out to Rs. 378/- only. The balance still available in the allotment will be utilised for purchase and supply of more bee hives to the villagers in this area.

I, therefore, request that the Government may be pleased to sanction the appointment of a bee-keeping Fieldman for Karkal area for a period of six months or till the need ceases whichever is earlier meeting the expenditure from the amount now available. I am selecting and appointing one to the post in anticipation of Govt. sanction as the introduction of live colonies has to be done during this season without further loss of time and before the monsoon sets in. I, request that ~~(nay may)~~ my action may kindly be ratified.

COMMUNITY PROJECT--South Kanara--rural arts, crafts and industries--development of Bee-keeping industry--appointment of a bee-keeping fieldman for Karkal Area-regarding.

REF: G.O.Ms.No. 1910 Agrl. Dept. dt. 9- 6- 1954.

G.O.Ms.No. 2256 Pub.(R.D.P.) Dept. dt. 19-11-1954.

--

The services of two bee-keeping fieldmen employed in this Community Project as per G.Os. cited were dispensed with from the date of expiry of the sanction period on the assumption that the work of distributing bee hives and maintaining them properly could be undertaken by the Senior Inspector of Coop. Societies and Village Guides concerned. But now it is felt that the work is not only too heavy in Karkal area to be shoulder by the Senior Inspectors of Coop. societies or Village Guides concerned, but will also not be as efficient as that of a fieldman with experience in the line.

It is found that many of the empty bee hives supplied have to be equipped with colonies and this can be done only by fieldman who will also train people, in maintaining the bee hives and extracting honey etc. So far 455 bee hives with and without live colonies, 8 extractors and 3 smokers have been supplied in this area under the scheme sanctioned in the G.Os. cited. Out of this total supply, Karkal area has got the maximum number.

Therefore, the appointment of a bee keeping Fieldman for that area is felt absolutely necessary in the interest of efficient working of the scheme. Out of the allotment of Rs. 6676/- for bee keeping development sanctioned in the G.Os. cited, only a sum of Rs. 4397- 9- 0 has been spent so far. There is a balance of Rs. 2278- 7- 0 available in the allotment from which the expenditure for appointing a Fieldman on a pay of Rs. 43 plus an F.T.A. of Rs. 20 P.M. for the remaining C.P. period may be met.
